Please specify pedal preference when making your tour reservation. If no pedal preference is specified, bikes will be outfitted with flat pedals. Cages not available. We can install and remove your pedals that work with your shoes/cleats. A floor pump is provided to transfer with luggage. All bike models and sizes based on availability. Bike models may differ in model year or color and guests may be issued an equivalent bike if requested bike is not available. Mixte/female frames only hold 1 bottle cage. Cue sheets, maps, and touristic info are part of the included Roadbook.
